### Southold Historical Museum's Commemorative Brick Program

Thomas Moore 1640 First Settler

Please go to our website and click on Brick Campaign for examples of engraved bricks.

Exact placement of the bricks will be at the discretion of the Southold Historical Museum. Everyone is invited to buy a brick, either for yourself or to honor someone else, or to commemorate special occasions such as the birth of a baby, graduations, and outstanding accomplishments.

We urge you to join us in this exciting project—a tangible and permanent way of linking yesterday, today and tomorrow.

## Buy A Brick! Be a part of Southold History!

#### Become a part of Southold's history!

Our brick project is an opportunity to give a timeless gift to our community. It is also an opportunity to reconnect to your family's roots here in Southold. A personalized brick, engraved with an inscription of your choice, will become a component of our new Boxwood Garden or the walkways in the heart of our historic Maple Lane Complex.
