Original Release:

Southold Historical Society is proud to announce that it is undergoing a rebranding campaign. This past June, the Society launched its new website. This winter, the Society is hosting a Logo Contest to redesign its logo. This summer, the local museum will be announcing an updated name and revealing the new artwork.

Artists and designers are invited to submit a design for the Logo Contest between now and March 31, 2021. The design should represent the rich history of Southold and the vibrancy of the community.

There is a \$500 prize for the winning design. Entrants must be of sufficient legal age and standing to enter into a contract with Southold Historical Museum. Visit our website www.southoldhistorical.org for official contest rules and how to enter.
